SUBJECT INDEX

Administration

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

China, People's Republic of

Underground Space Use and Urban Planning in Shanghai, L. Yang and R. L. Sterling, UP June 88 p34-49.

Civil engineers

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

Codes

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Commuting patterns

Park-and-Ride: Alive, Well, and Expanding in the United States, Errol C. Noel, UP June 88 p2-13.

Cost analysis

Computer-Assisted Procedure for Subdivision Cost Analysis, Fred A. Curtis and Michael W. Schlosser, UP May 86 p15-25.

Engineering costs

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

Finance

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

Financial management

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Housing

Multizonal Simulation Model of Population, Pyong Sik Pak, Yutaka Suzuki and Gwan Kim, UP Dec. 88 p91-109.

Underground Space Use and Urban Planning in Shanghai, L. Yang and R. L. Sterling, UP June 88 p34-49.

Infrastructure

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Japan

Multizonal Simulation Model of Population, Pyong Sik Pak, Yutaka Suzuki and Gwan Kim, UP Dec. 88 p91-109.

Labor

Multizonal Simulation Model of Population, Pyong Sik Pak, Yutaka Suzuki and Gwan Kim, UP Dec. 88 p91-109.

Legal factors

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

Lifeline systems

Computer-Assisted Procedure for Subdivision Cost Analysis, Fred A. Curtis and Michael W. Schlosser, UP May 86 p15-25.

Maintenance

Septic System Maintenance Management, Richard R. Noss and Michael Billa, UP Dec. 88 p73-90.

Management methods

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Mass transportation

Park-and-Ride: Alive, Well, and Expanding in the United States, Errol C. Noel, UP June 88 p2-13.

Municipal government

Septic System Maintenance Management, Richard R. Noss and Michael Billa, UP Dec. 88 p73-90.

Parking lots

Park-and-Ride: Alive, Well, and Expanding in the United States, Errol C. Noel, UP June 88 p2-13.

Policies

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Pollution

Underground Space Use and Urban Planning in Shanghai, L. Yang and R. L. Sterling, UP June 88 p34-49.

Population statistics

Multizonal Simulation Model of Population, Pyong Sik Pak, Yutaka Suzuki and Gwan Kim, UP Dec. 88 p91-109.

Public works

Regional Water Supply Development in South Sweden, Jay R. Lund, UP June 88 p14-33.

Regional planning

Evolution of Planning Theory and Practice: Engineering Implications, Andrew A. Dzurik and Roberta L. Feldhaus, UP Dec. 86 p37-45.

Research needs

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Residential location

Computer-Assisted Procedure for Subdivision Cost Analysis, Fred A. Curtis and Michael W. Schlosser, UP May 86 p15-25.

Septic tanks

Septic System Maintenance Management, Richard R. Noss and Michael Billa, UP Dec. 88 p73-90.

Simulation models

Multizonal Simulation Model of Population, Pyong Sik Pak, Yutaka Suzuki and Gwan Kim, UP Dec. 88 p91-109.

Social needs

Evolution of Planning Theory and Practice: Engineering Implications, Andrew A. Dzurik and Roberta L. Feldhaus, UP Dec. 86 p37-45.

Standards

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Subdivisions

Computer-Assisted Procedure for Subdivision Cost Analysis, Fred A. Curtis and Michael W. Schlosser, UP May 86 p15-25.

Sweden

Regional Water Supply Development in South Sweden, Jay R. Lund, UP June 88 p14-33.

Technology

Research Needs for Infrastructure Management, Neil S. Grigg, UP Nov. 85 p49-64.

Traffic congestion

Underground Space Use and Urban Planning in Shanghai, L. Yang and R. L. Sterling, UP June 88 p34-49.

Transportation systems

Park-and-Ride: Alive, Well, and Expanding in the United States, Errol C. Noel, UP June 88 p2-13.

Underground construction

Underground Space Use and Urban Planning in Shanghai, L. Yang and R. L. Sterling, UP June 88 p34-49.

Urban planning

Evolution of Planning Theory and Practice: Engineering Implications, Andrew A. Dzurik and Roberta L. Feldhaus, UP Dec. 86 p37-45.

New Infrastructure: Civil Engineer's Role, Armando I. Perez and A. Kurt Ardaman, UP Dec. 88 p61-72.

Underground Space Use and Urban Planning in Shanghai, L. Yang and R. L. Sterling, UP June 88 p34-49.

Urban transportation

Park-and-Ride: Alive, Well, and Expanding in the United States, Errol C. Noel, UP June 88 p2-13.

Utilities

Computer-Assisted Procedure for Subdivision Cost Analysis, Fred A. Curtis and Michael W. Schlosser, UP May 86 p15-25.

Wastewater disposal

Septic System Maintenance Management, Richard R. Noss and Michael Billa, UP Dec. 88 p73-90.

Water supply systems

Regional Water Supply Development in South Sweden, Jay R. Lund, UP June 88 p14-33.
